

GBTA Foundation Scholarship – How to Apply

A complete scholarship application consists of:

- a complete application form
- a 350-word personal essay
- two letters of reference (one academic and one character)

Please provide contact information for two (2) references (one personal, one professional or academic) who are qualified to evaluate your character, ability, and accomplishments. You are encouraged to select references who really know you and can speak to your experiences, successes, and potential.

An email requesting a letter of recommendation, along with reference requirements, will be sent directly to each of your references to be submitted electronically through this platform. We strongly encourage preparing your references for the request from the application platform. Academic references must be on school letterhead and all letters should be drafted for the GBTA Foundation scholarship opportunity specifically. All scholarship applicants are responsible for ensuring letters are submitted by the final deadline on June 15, 2025 (late letters will not be accepted). If any of your references are unable to send a letter of recommendation, you can request cancelling the reference and re-submit a new reference.

All application materials must be submitted no later than June 15, 2025 at 11:59pm PT. No deadline exceptions will be awarded.
